SUNSMILE® FRUIT & VEGETABLE RINSE

For Fresh, Pesticide-Free Produce

Pesticides are commonly found on both conventional and organic produce and have been linked to a variety of health issues, including an increased prevalence of ADHD in children. SunSmile® Fruit & Vegetable Rinse is an easy and effective way to protect the health of your family from this potential hazard. One of Dr. Chen's favorite formulas, Fruit & Vegetable Rinse washes away undesirable contaminants such as pesticides, so you can enjoy cleaner, safer, and better-tasting produce.

- Cleans pesticides, insecticides, dirt, waxy coatings, oily substances, and other undesirable residues.
- The primary cleansing agent is an edible, biodegradable surfactant derived from corn starch and coconut oil.
- Even cleans delicate produce like broccoli heads, field greens, and herbs.
- Biodegradable and environmentally friendly.
- Dr. Chen uses it in Sunrider's manufacturing facilities!

SUNRIDER®

Sunrider's Natural Hair Care

Luscious Locks Without the Chemicals (or the salon!)

Sunrider® hair care products offer the best in natural, herbal ingredients to cleanse and condition your hair and scalp. Harsh ingredients found in most brands can irritate your scalp, dry out your hair, and create frizziness.

Sunrider's hair care products are free of Sodium Lauryl Sulfate, Ammonium Lauryl Sulfate, Phthalates, and harsh chemicals.*

* Kandesn® Spa Shampoo and Kandesn® Spa Conditioner are available as part of the Kandesn® Spa Gift Set.

HAIR CARE NATURE INTENDED

Oi-Lin® Shampoo & Conditioner

- Ideal for dry, sensitive scalps (great for babies too!).
- Keeps color-treated hair hydrated and vibrant.
- Safflower and avocado oils help moisturize and strengthen hair.

Kandesn® Spa Shampoo & Conditioner

- Leaves hair clean without stripping essential oils.
- Refreshing herbal-citrus scent is great for both sexes.
- Gurjun balsam oil and vitamin E leave hair smooth and shiny.

Kandesn® Shampoo & Conditioner

- Matches your hair and scalp's natural pH balance.
- Chamomile, peppermint, and cinnamon stimulate hair follicles to encourage stronger, healthier hair.
- Soy proteins and uniquely developed amino acids help strengthen hair.

Ingredient Spotlight: Avocado Oil

Found in each of Sunrider's conditioners, this intensely hydrating oil comes from the Persea gratissima (avocado) fruit and contains high levels of vitamins A, D, and E. It is known for easily penetrating the top layers of the skin to deliver numerous benefits, making it highly valuable to scalp health while conditioning your tresses as well.

GO GREEN WITH EVERGREEN®

Nourish with the Power of Chlorophyll

The highly concentrated copper chlorophyllin in Evergreen® combines the nourishing aspects of green, leafy vegetables with the hydrating power of water to address the body's circulatory system, clean the intestines, and aid digestion.

- Sunrider uses copper chlorophyllin, a stabilized, water-soluble form of chlorophyll (the natural phytochemical which gives plants their green color and is crucial in photosynthesis, converting light to energy).
- Contains 105% of the daily recommended value for copper, a mineral essential for healthy cell function.
- Contains 6% of the daily recommended value for iron which is crucial in transporting oxygen through the blood and to the body's tissues.
- Chlorophyllin is also used to reduce odor from colostomies, incontinence, wounds, and other more general body odors such as bad breath.

"Because we concentrate the chlorophyll (an antioxidant) so much, Evergreen's green color is much darker, and the liquid is thicker and richer than many other chlorophyll products."
